

CURRICULUM VITAE FOR

RONALD L. GEREN, FCSI, AIA, CCS, CCCA, SCIP

PERSONAL: Date of Birth: July 22, 1961
Place of Birth: Tucson, Pima County, Arizona
Citizenship: United States of America
Marital Status: Married with three children

EDUCATION: BACHELOR OF ARCHITECTURE - University of Arizona, Tucson - 1984
DIPLOMA - Yuma High School, Yuma, Arizona - 1979

EMPLOYMENT EXPERIENCE:

01/07 - Present Owner/Principal, RLGA Technical Services, LLC
www.specsandcodes.com

Owner of construction specifications and building code consulting firm.

- Develop, organize and coordinate the preparation of project manuals.
- Develop building code analyses and perform code plan reviews.
- Perform quality assurance reviews of construction documents.
- Author of two article series titled "The Code Corner" and "Keynotes."
- Expert Services: 5 cases.

03/13 – Present Core Faculty, Taliesin, Frank Lloyd Wright School of Architecture

10/09 – 03/13 Adjunct Faculty, Taliesin, Frank Lloyd Wright School of Architecture

Instructor for graduate level courses on construction documents, building codes, and practice management.

- Construction Documents course content based on material covered by CSI's Construction Documents Technologist (CDT) certificate program.
- Building Codes course based on a 28-step process for applying the building code during design developed by Ron Geren.
- Practice Management course that prepares students on how to run an architectural practice including business development, contracts, project management and finances, and leadership.
- Building Construction Technology course that addresses building materials and construction methods from the foundation to the roof, from exterior wall assemblies to interior finishes, and building mechanical, electrical, and plumbing systems.

01/07 – 05/08 Faculty Associate, Arizona State University

Instructor at the School of Architecture and Landscape Architecture for graduate level course on construction documents.

- Course content based on material covered by CSI's Construction Documents Technologist (CDT) certificate program.
- Course is presently on hold due to the University's budget constraints.

01/98 - 12/06 Senior Associate, Gould Evans Associates

Construction specifier and quality assurance coach.

- Developed, organized and coordinated the preparation of project manuals.
- Conducted all in-house building code plan reviews.
- Coordinated plan review submissions with local building departments.
- Developed in-house Quality Assurance Program.
- Performed quality control reviews of construction documents.

5902 E. Grandview Road
Scottsdale, Arizona 85254

P: 602.569.9645
F: 602.569.9642

Specifications
Building Code Analysis
Peer Review
Education

- In-house consultant for all project teams in areas regarding building codes, constructability, material selection, and contracts.

03/95 - 12/97

Project Manager, Arizona State University

Managed design and construction of new, renovation, and repair projects for the Facilities Planning and Construction Department.

- Prepared requests for proposals for architect/engineer firms.
- Chaired A/E selection committees.
- Coordinated activities of other University agencies.
- Approval authority on pay applications and change orders.
- Managed project budgets and schedules.

11/90 - 03/95

Chief, Design and Construction, State of Arizona, Department of Emergency and Military Affairs (DEMA)

Supervised seven-person section for Army National Guard Facilities Management Office (FMO).

- Managed in-house design of minor construction and repair projects.
- Managed A/E design projects for major military construction and repair projects.
- Evaluated A/E design work for compliance with state, federal, and National Guard Bureau criteria.
- Conducted general contract administration.
- Created and implemented a project filing system that reduced document search time.

08/89 - 10/90

Project Architect, Philip Graham Combs Architects

Responsible for the design and preparation of construction documents for commercial projects.

- Conducted site investigations and coordinated with city, county, and utility officials regarding plan review, zoning, and permits.
- Prepared presentation drawings for various city architectural review boards.
- Produced construction plans and cost estimates for bidding.
- Coordinated design process between electrical, mechanical, structural, civil, and landscape consultants.

02/89 - 08/89

Building Plans Technician, State of Arizona, Department of Emergency and Military Affairs (DEMA)

Responsible for the design and preparation of in-house minor construction and repair projects.

- Established design requirements with facility users.
- Conducted fieldwork and researched documents to establish and analyze existing building site conditions.
- Prepared specifications, construction drawings, and cost estimate for bidding.

01/87 - 05/88

Associate Faculty Member, Pima Community College, Tucson, Arizona

Taught introductory courses in construction and drafting.

- "Principles of Construction;" 4 credit hours; taught course for three semesters.
- "Construction Drafting I;" 3 credit hours; taught course for one semester.

MILITARY EXPERIENCE:

11/88 - 10/07

U.S. Air Force Reserve

Multiple duties at various bases for civil engineer squadrons and Command & Control Staff Augmentation Team

- Deployed to Kuwait for 6-month duty on a design team to support U.S. Army Theater Engineer
- Retired at the rank of Lieutenant Colonel.

10/84 - 10/88

U.S. Air Force (Active Duty)

Responsible for design of base minor construction and repair projects.
Coordinated design of major military construction projects for the base.

REGISTRATIONS: REGISTERED ARCHITECT – No. 24652, Arizona, since 1990

CERTIFICATIONS: Certified Construction Specifier (CCS) - 2003
Certified Construction Contract Administrator (CCCA) - 2001
Construction Documents Technologist (CDT) - 2001
Certified Building Plans Examiner - 2005
MasterFormat Accredited Instructor - 2005

HONORS: Fellow, CSI - 2013
DHI Robert G. Ryan Memorial Award, 1st Place, Technical Articles,
"Common Specifying Problems" - 2015
CSI President's Plaque for outstanding service to the Institute - 2013
CSI Communications Award for "Keynotes" Articles - 2011
CSI Phoenix Chapter, Outstanding Professional Member - 2004, 2005,
and 2010
President's Commendation, AIA Arizona - 2004
Meritorious Service Medal - 1995, 2004, and 2007
Air Force Reserve Outstanding Civil Engineering Officer - 1994
Air Force Commendation Medal - 1986
Army Commendation Medal - 2006
Eagle Scout - 1979
